Shariah Compliance & Islamic Contractual Framework

This real estate investment is structured under the Islamic contractual principles of **Diminishing Musharakah (Shirkat-ul-Melk)** and **Mudarabah**. Investors hold direct proportional equity in the physical asset, participating in actual net rental yields and capital appreciation. Profits are non-guaranteed and proportional to actual corporate performance under strict oversight of the Shariah Supervisory Committee.
Supervisory Body: Central Shariah Advisory Council (Bangladesh)
